L'uniformità cromatica dei colori laccati varia naturalmente nel tempo, quindi in caso di completamenti, una eventuale differenza di tonalità, non costituisce motivo di contestazione del prodotto.  
 Lacquered colours may obviously vary in colour shade over time. Consequently, if items are required for completion, any difference in colour will not be cause for complaint about the product.  
 L'uniformité des couleurs laquées varie naturellement avec le temps, donc dans le cas des achèvements, une éventuelle différence de tonalité, ne constitue pas motif pour de plainte.  
 Die Einheitlichkeit der lackierten Farben variiert natürlich im Laufe der Zeit, so im Falle von Ergänzungen, einen möglichen Unterschied im Ton, kein Grund für eine Reklamation ist.
